

**Economic Development Officer
City of Santa Clara, CA**

The City of Santa Clara (pop. 118,169) is a full-service municipality located in the center of California's Silicon Valley. With a strong high-tech presence in the area, many of the world's largest technology corporations are based within the City's 19.3 square miles. This opportunity has become available in response to the City identifying Economic Development as a top 2011-2013 goal.

The Economic Development Officer will take a lead role in the design and execution of the City's economic development strategy and programs. The position requires five years of progressively responsible experience, including two years of management experience, in economic development, community development, redevelopment and/or planning in a comparable setting. A Bachelor's degree is also required.

The control point for this position is \$180,552 (appointment is generally made at 85% of control point). Salary is supplemented by a benefits package that includes 2.7% @ 55 CalPERS retirement integrated with Social Security. Visit www.tbcrecruiting.com for detailed brochure and to apply online. This recruitment will close just prior to midnight on **Sunday, November 20, 2011**.
