

## **REGIONAL TRANSPORTATION PLANNER**

The Transportation Planner will play a key role in the design and delivery of high occupancy toll (HOT) lane facilities on the region's freeways. This position also is integral to developing and implementing programs and services that advance the region's transportation demand management (TDM) and systems management strategic plans. Qualifications: a degree in planning, engineering, public administration, or related field, and recent experience in regional congestion management or transportation planning. SANDAG offers competitive salaries and benefits. Visit [www.sandag.org/jobs](http://www.sandag.org/jobs) or call (619) 699-1900 for information. Closes: Friday January 15, 2010. EOE.
